Banned drugs in circulation

960. SHRI S.S. AHLUWALIA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that several drugs and formulations under

various trade names have been banned from being prescribed/administered by Doctors in the country;

(b) if so, the details of the drugs so banned since 1995/96 till date;

(c) the special measures taken, if any, to ensure that the banned drugs and formulations are not in circulation in the country;

(d) the details of the cases of detection of dispensation of banned and formulation by chemists and hospitals during this period; and

(e) what action has been taken against the violators?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) The drug formulations are prohibited through for Gazette notification for manufacture, sale and distribution, under generic names, so as to cover all prevalent trade names.

(b) A list of drugs banned since 1995-96 is given in the Statement (*See* below).

(c) to (e) For uniform and strict enforcement of ban the following steps are taken:

1. The durg formulations are banned through a Gazette Notification by the Central Government for uniform withdrawal in the country.
2. Publicity is given through the press also to alert the general public.
3. State Drugs Control Authorities are requested to take immediate action to enforce the ban on manufacture and sale under their jurisdiction.
4. The manufacturers and Chemists Associations are also requested to give wide publicity about the banned drugs through their Journals for the information of the members.
5. During the meetings of the Drugs Consultative Committee, a Statutory body, the State Drug Control Authorities are requested to keep a watch over the movement of the such drugs and take action against the offenders of law.

Under the provisions of Drugs and Cosmetics Act, 1940 and the Rules

made thereunder action against any possible manufacture or sale or dispensation of banned drugs by Chemists/Hospitals is taken by the State Governments through their respective Drug Control departments. No report of any serious violation of the ban orders in respect of manufacture and sale of these drugs has been reported by the State Drugs Control Authorities.
